Appropriations Cycle**

The proposed recipient: The Isamu Noguchi Foundation and Garden Museum

Address of the recipient: 32-37 Vernon Boulevard
Long Island City, NY 11106

The amount of the request: \$30,000

Purpose of the project and why it is a good use of taxpayer funds: The Isamu Noguchi Foundation and Garden Museum – is the first museum in the United States to be established by a living artist for the display of his own work. The Museum contains the world's richest holdings of Isamu Noguchi's art and is the prime reservoir through which his contribution is kept alive. Funding will support engaging a conservation team to conduct a general conservation survey of its collections, to help the staff development a long-range conservation plan, and to present a one-day training session for staff in preventative maintenance and collections care.
